

Mkhululi Dama

Junior Data Analyst

14 Jungle Walk , Langa, Cape Town, 7456, 0647486 974 • Email: damamkhululi@gmail.com
• LinkedIn: [Dama Mkhululi LinkedIn](#)

Professional Summary

Mathematical Science graduate and digital candidate at Capaciti with expertise in data analytics, Python, SQL, and Power BI. Skilled in data processing, visualization, and storytelling to deliver data-driven insights. Detail-oriented, curious and committed to continuous learning with hands-on experience and knowledge of ETL processes.

Professional Experience

Data Analyst Intern

Jun 2021 – Nov 2021

Cape Peninsula University of Technology, Cape Town

- Consolidated and Cleaned, merged WCED school data 2012–2019 to perform for analysis
- Performed deep analysis of grade level trends using Excel and R to uncover performance patterns across multiple districts. And Presented findings and trends to internal stakeholders
- The company gained valuable insights into learner performance trends, enabling smarter decisions on where to allocate resources to boost education outcomes..

Capaciti Digital Learnership

Dec 2024 - Present

Capaciti, Cape Town

Trends Analysis

- Analyzed shopping trend data from Kaggle to uncover seasonal consumer behavior.
- Performed data preparation using Excel and SQL queries for data filtering and cleaning.
- Designed interactive Power BI dashboards showcasing peak purchase periods, top-selling categories, and price sensitivity insights.
- These insights helped businesses improve marketing, pricing, and inventory, boosting sales and cutting waste.

Public Universities Data Analysis

- Worked with 25-table dataset on finances, graduation rates, and enrollments
- Integrated and cleaned data in Excel; built SQL queries to uncover insights on institutional efficiency and funding gaps.
- Developed advanced Power BI dashboards with drill down features for year-on-year comparisons across 20+ institutions
- This guided universities on budgeting, staffing, and enrollment by identifying funding and performance gaps

Education

Diploma in Mathematical Sciences: Mathematics and Statistics

Cape Peninsula University of Technology, Cape Town, 2022

Grade 12 / Matric

St John's College, Mthatha, 2017

Skills

- Programming: Python, SQL,
- Data Analysis: Excel, Power BI, R
- Database Management: MySQL, PostgreSQL, MS SQL Server
- Tools: Microsoft Office, Power Query, VBA
- Soft Skills: Teamwork, Communication, Leadership, Conflict Management

Short Courses

- Microsoft Excel – Earn and Excel, Jun 2024
- Formatting, Pivot Tables, Power Query, Dashboards, Intro to VBA
- Data Fundamentals for Business Enterprise – Coursera via Capaciti, Dec 2024
- Data warehousing concepts, modeling, SQL implementation
- Project: Built data warehouse for waste collection analysis using pgAdmin and SQL

Certifications

- Microsoft Excel (Advanced) – Earn and Excel, Jun 2024
- Data Fundamentals for Business Enterprise – Coursera via Capaciti, Dec 2024
- Excel to SQL – LinkedIn Learning, April 2025
- Power BI Essentials – LinkedIn Learning, May 2025
- SQL for Data Analysis – LinkedIn Learning, April 2025
